Memories

- EDITORIAL, DCJ

Memorial Day is little more than one month in the future. This is the scene of Cushing Cemetery. Markers in the old mid-section, some with early Mattapoisett names such as Cannon with dates from 1700, are toppled. The Cannon stone is smashed because the ancient marble was cracked on impact. It is a sad commentary on the present state of the U.S.A. when ghouls, who prey upon the dead, are active even in our smaller

AMBER BEADS

60,000,000 years ago, a variety of pine tree, now extinct, was submerged under the sea. The amorphous translucent or opaque fossilized natural resin of this tree is Amber ...

the world's first gold.

The history of European trade has been traced by finding amber relics which served as a coveted means of barter.

Amber is light in weight, warm to the touch; soft but tough. Perfect for fine jewelry.

Its color covers a wide range, usually from pale yellow and honey to reddish brown, red, and almost black; some is even whitish. The best quality amber is clear, but Europeans appreciate the deeper tones and use color as the principal determiner of value.

Come select your own favorite shading, and see how becoming 60,000,000 years of history can be.

Town Managed vs. SEMASS Controlled Sanitary Landfill

MATTAPOISETT SELECTMEN'S MEETING
APRIL 18, 1989-by VIRGINIA MORGAN

Tighe and Bond engineer Ronald Michalski met with Selectmen last Tuesday to outline the pros and cons for having the town's sanitary landfill operated by EAC Operations, Inc. (the parent company of SEMASS). An article in the annual town meeting warrant on May 1st will ask voters to allow this company to operate, maintain, close and cap the existing portion of the sanitary landfill area in accordance with DEQE's regulations.

Following the engineer's presentation, Selectmen Chairman Bernard F. Talty said, "We will be asking voters to accept the whole package." The information is a lot to squeeze into one town meeting night. The Board of Selectmen felt they didn't have enough information to make a recommendation to voters; therefore, an open meeting to discuss the EAC proposal will be held at 7:30 p.m. Wednesday, April 26th, in the Town Hall Conference Room. Selectmen hope to see a good percentage of voters attending to air some of the concerns before town meeting night.

Projected costs of Mattapoisett operating the landfill alone versus having EAC Operations, Inc. operate with Mattapoisett are considerably apart. A total of $1.8 million versus $135,000 will show Mattapoisett pay-

ing $40,000 versus $20,000 for engineering; $40,000 versus no amount for groundwater review; $75,000 versus no amount for slope repairs; $400,000 versus no amount for landfill operating costs; $300,000 versus no amount for SEMASS tipping fees (based on a four-year period); $30,000 versus no amount for a convenience area (for Mattapoisett residents to drop off materials); $800,000 versus no amount for capping the landfill with clay (the engineer noted this could be a low figure); $100,000 for hydrogeological study, the same cost for either operation and $15,000 for miscellaneous, the same cost for either operation.

Mr. Michalski noted these cost estimates are on the conservative side; and they are based on Mattapoisett closing the present area being used according to DEQE regulations. DEQE wants to stay within the same footprint of landfill area being used, and they may allow a community to go higher than eight feet. At present there is no specific height mentioned in the agreement with EAC Operations.

The previous figures were for a four-year period. Beyond 1992 the cost factors will range from $290,000 for Mattapoisett alone versus SEMASS alone at $20,000. Mr. Michalski said, "If Mattapoisett wants to go into the landfill business, it will need more employees and more equipment; this can be big business." He added that EAC could possibly place a monitoring camera and weighing station at the entrance to the landfill, as these ideas are being considered by DEQE.

Chairman of the Board of Health Daniel C. Lee said, "This may be the way the town has to go at this time." Town Counsel Donald J. Fleming said it would be wise to have a public meeting before town meeting

to get the negative comments rolling. Chairman Lee said, "we will be asking voters to accept the whole package".

MET WITH Harbormaster Steve Mach to discuss amendments to the harbor rules and regulations to be voted at the annual town meeting. The amendment includes defining that a dinghy as less than 10 feet, over 10 feet to 16 feet is defined as a skiff. Skiff space will be charged $32.; dry dinghy storage area, $20. Mr. Mach said there can be room for no more than 35 dinghies to be located between the launching ramp and the so-called Mello Wharf. The storage area will be reserved exclusively for Mattapoisett residents by dinghy permit. Each April the Wharf Commissioner and the Board of Selectmen shall hold a lottery for dinghy space permits. Applications for the lottery draw will be available at the Town Clerk's office. Any dinghy not displaying a permit will be removed at the owner's expense.

The 21 section regulations in the town meeting article 47 partially includes fees, registration, mooring spaces, tackle, safety inspection of moorings, winter moorings, spars/sticks, rafting, rules for operating boats and fines and appeals of fines. The rules were developed by the Harbor Sub-Committee of the Mattapoisett Long Range Planning Committee comprised of Michael J. Dahill, Chairman; Steven T. Mach, Harbormaster; Thomas F. Brownell, William E. Fairweather, Arthur W. MacLean, Lewis I. Prouty, Jarvis C. Stratton and Richard B. Young. If voted, the rules will become effective July 1, 1989.

MET WITH the Water Commissioners and Town Counsel to discuss the latest letter from Fairhaven's attorney, Thomas P. Crotty, on Fairhaven's refusal to sign the sewer treatment plant expansion agreement between the two towns.

Commissioner Chairman Clifford D. Tripp said he has talked with Fairhaven's Execu-

tive Secretary, Jeffrey Osuch, to try to get a handle on what is holding up the signing of the agreement. The Commissioners, Selectmen and Town Counsel agreed they found the letter confusing as to what Fairhaven's problem is. Town Counsel Fleming said "I don't honestly know where this letter is coming from; I thought we agreed on the contract last time we met." The feeling was that Fairhaven is trying to eliminate Mattapoisett from its expanded use of the treatment plant.

Tighe and Bond Engineer Michalski responded to one part of the letter questioning Mattapoisett's pumping facilities, saying Mattapoisett's pipes are designed to handle additional capacity and can handle up to 860,000 gallons per day. There are two pumps in Mattapoisett's relay station and one pump is working two hours per day and is capable of operating 12 hours per day; the other pump is a backup pump.

Another problem Fairhaven sees is the payment of costs in setting up the plant expansion in Fairhaven. Selectmen have set 3 p.m. May 4th in the Town Hall Conference Room to meet with Fairhaven's representatives to settle the long drawnout agreement.

WERE NOTIFIED by the State Division of Marine Fisheries the town has received a special shellfish permit to take, possess and relay seed and adult softshell clams from the Mattapoisett River to the waters of Pine Island Pond Channel and Shining Tides West, as designated by the "No shellfishing" sign. No more than 100 bushels shall be transplanted between April 13, 1989 and June 30, 1989.

RECEIVED TWO LETTERS objecting to the proposed marina expansion at the Mattapoisett Boat Yard. Selectmen will refer these two letters plus a previous letter to the Conservation Commission. The Commission held a hearing on April 4th and have not as yet

GARY CHARPENTIER, MATTAPOISETT 758-9334

written their order of conditions. Selectmen will have the opportunity to comment later.

One letter was from Mrs. Mary G. Storrow, 8 Linhares Avenue, who wrote, "I think it would be dreadful. That is a residential area, and the noise and pollution in the water would be unbearable. Parking on that narrow Ned's Point Road would be difficult and most unsafe."

The second letter was from Mr. Richard B. Young, 20 Ned's Point Road. He wrote, "I feel that the boatyard, as it is presently run, is an asset to our community. However, I do have strong objections to the proposed expansion of slips and wharves that are proposed for four reasons (which he cited in the letter) such as, destroying the view of the bay; add to the pollution problems; traffic on Ned's Point Road and parking."

NAMED Selectman John N. DeCosta as the board's representative to SRTA (Southeastern Regional Transportation Authority).

Annual Town Meeting May 1

52 ARTICLE WARRANT

The annual Mattapoisett town meeting will start at 7:30 p.m. Monday, May 1st, at Old Rochester Regional High School auditorium. The hall has been reserved by the Board of Selectmen for Tuesday, May 2nd, and for Wednesday, May 3rd, and, if needed, Monday and Tuesday, May 8th and 9th.

The 52-article warrant will be delivered to homes by Friday or Saturday, April 28/29, or may be picked up at Town Hall on Monday, May 1.

Recommended: money for the operation of town government with funds from several sources including: $6,778.274 raised and appropriated; $459,018.18 in overrides;

$127,722 from free cash; $2,798.50 from state aid to libraries and $11,000 in receipts.

The total $601,518 in 2½ overrides includes the $459,018 for town government operation and $142,500 for special articles. Among those are $23,500 for two police cruisers; $107,000, sewer engineering for future expansion to the Ned's Point area; $12,000, regional health officer and $19,651 for fiscal 1991 evaluation.

The two articles from the Old Rochester Regional School Committee include a request for a $10,589,069 2½ debt exclusion for reconstructuring, adding to, equipping, remodeling or making extraordinary repairs to the senior high school (including construction, reconstruction or resurfacing roadways and parking areas). Mattapoisett's share would be 44.18 percent of the $10,589 million. The second article seeks $1,500,000 for constructing, reconstructuring the regional outdoor athletic and recreational facilities. Mattapoisett's share would also be 44.18 percent.

The Selectmen are seeking $3,500 for the preparation of plans for renovation of the vault area of the Town Hall following the removal of the police station to its new quarters.

The Mattapoisett School Committee is seeking, by petition, voter approval to increase its members from three to five members.

The Water/Sewer Commissioners are seeking to acquire by purchase, or by eminent domain, property for a new well site to develop a public water supply. The Commissioners are seeking $16,000 for a new truck. Not recommended for the Commissioners is $52,000 from capital outlay for design for a new water/sewer department building, funds for water main replacement for six roads because of possible TCE contamination and $22,000 for a drain cleaner.

Better Home Heat Council

Finance Committee Chairman Elizabeth Kunz explained that "If just the operational override of $459,018 is passed this could increase the tax rate to $10.85" (the present rate is $9.90). A report from the Committee will be in the warrant saying, "We have reviewed all the budgets with a view to continuing present services. There have been some cuts in requests, but some spending requests don't require level appropriation. Increases are up in some budgets because of special requirements or mandates by the Commonwealth." Chairman Kunz said "we don't have a feel as to what we are getting from the state Cherry Sheet. If we get the same as last year we probably wouldn't have to go for an override in the operational budget." She noted Town Accountant Karen Long has reviewed old surplus overlay accounts and has had the department heads sign off the amounts to be used at town meeting.

Non-money articles include six proposed zoning changes; acceptance of an Historic District in the village; Harbor Mooring Rules and Regulations; transfer of land to the Housing Authority for subsidized housing; and operation of the sanitary landfill to be turned over to EAC Operations, Inc. (parent company of SEMASS).

Tuesday, June 6th, has been set for the election to vote on the override questions approved at Town Meeting. Wednesday, June 7th, is set for the special town meeting to vote on the Old Rochester Regional School Committee's request for funds for asbestos removal at the school. This special meeting will not have to be held if the full request of $10.8 million is voted at town meeting and election.

Machacam Club

The May meeting of the Machacam Club will be held on Wednesday, May 3rd, at the Legion Hall on Depot Street, Mattapoisett. The social hour will begin at 5:00 with dinner served at 6:00.

We are pleased to announce that our speaker for the final 1988-1989 meeting will be Captain Nathan A. Heuberger, USN (Ret.). Captain Heuberger will recount his April 69 voyage beneath the Polar ice cap which coincided with the 100th anniversary commemoration of Admiral Peary's trek to the North Pole. Captain Heuberger's submarine, the U.S.S. Whale, arrived at the North Pole on April 16, 1969 and etched its place in history.

Callers are reminded to phone in their lists not later than 9:00 p.m. on May 1st. Last minute reservations or changes may be made by calling Mike Lamoureux at 758-9311.

honor Mary Demers and Dorothea Pierce.

Mary Demers exemplifies all those qualities most admired in a member of the nursing profession. She is a caring, compassionate person who ministers to the needs of children and adults, alike. A visit to her office can fix just about anything, yet Mary's contribution to the schools of Mattapoisett does not end there. Mary has developed a health curriculum which she teaches to children in classes kindergarten through grade six. In addition she has developed in-service programs for the staff.

Mary is respected throughout the community for reasons too numerous to list, yet her value to the community is easy to state - she is a treasure.

Dorothea Pierce had served the town of Mattapoisett for fifteen years as a member of the School Committee prior to her resignation in December 1988. Her devotion to the town's expectation for excellence was always uppermost in her mind.

She was always well informed and most willing to listen to all opinions and concerns prior to making up her mind. Her decisions were based on issues, not on personalities. Although many of her associates would end up on opposite sides of an issue or decision, she always held their respect.

Mrs. Pierce's openness and warmth were characteristics most in evidence during

Letter to the Editor

Several facts and many pieces of information concerning the Mattapoisett Housing Authority have come to our attention in the past two weeks. We in the Long Plain Road area of town would like to share this information with the rest of the townspeople specifically in the areas of the M.H.A.'s scope of powers and its method of operation.

1. Every town-owned piece of land is in jeopardy of being transferred to the M.H.A. and would then be subject on only state controls. The state appeals board could override all local boards making it possible to build public housing projects in undersized lots, inappropriate locations, etc.

2. Article 51 on our next Town Warrant has been deliberately written in a "generic" form (meaning "an entire group") to enable the M.H.A. the opportunity of putting together at the last minute, on town meeting floor, any parcel or parcels of land which they decide they want transferred to them for either low income rental units, or units for the mentally ill.

3. The M.H.A. has actively solicited the state for a grant to "bring" public housing in the aforementioned categories to Mattapoisett. The M.H.A. received permission from last year's Town Meeting to apply for grants from the state to fund housing for the elderly. Since it is the state policy not to assist cities and towns in only one type of housing such as that for the elderly, unless the community builds and accepts housing for low income, mentally ill and handicapped as well, we inquired of the Executive Director of the M.H.A. her failure to mention this at the town meeting. Her reply was that she was not bound to mention this information.

4. The only housing that the M.H.A. is involved with is low income rental, not what is commonly referred to as "affordable housing for first time buyers".

5. Our town Selectmen have no authority over this board and may or may not be informed of its intentions as the board chooses. When our group met with the Selectmen, they told us that we knew more than they did!

6. Privately owned land is actively being sought by the M.H.A. for the intention of building low income and mentally ill housing units, not units for the elderly. It is state policy that elderly housing be on a "bus route" and it seems as if the M.H.A plans to possibly extend its Village Court site in order to satisfy this area of the grant.

We on Long Plain Road are especially displeased with the way we have been treated by the M.H.A., specifically by the Executive Director, who I might add is not an elected representative. The M.H.A. called

a meeting on April 10 to discuss their plans for a one acre site (zoning out here would allow one home). The only people invited to the meeting were the 10 or 12 families located south of the lot. (A consultant sent out the mailings, we others were told.) This meeting was cancelled a week later prompting the entire neighborhood to request a special meeting which was held April 13. We were told at that meeting that they were not even certain that they wanted this piece of land and that if they did, they were not certain as to how they would use it. So far, we have been told that it might be 3 duplex units for low income families or one eight bedroom unit for the mentally ill. This on a one acre lot with no town sewerage, no town water, no public transportation, recreational or shopping facilities. This in an area zoned 1 acre per house residential, not rental. Once the M.H.A. would assume control our local zoning would be by-passed. The M.H.A. also told us that Long Plain Road is "not #1, 2 or even 3 on their Wish List. There are better spots we are looking at." They would not share these with us.

Based on what we see and hear in town, we find it hard to see a real need in Mattapoisett for <u>any</u> of this housing. When Vil-

lage Court was built, it was necessary to "recruit" out-of-towners to fill it. We don't see an overt need for rental housing for low income as there are not many job generating large businesses in town.

The mentally ill housing would be filled with residents definitely from outside this area as the state feels that this is the preferred method.

We, on Long Plain Road, are also concerned about the threat of state withdrawal of monies, snob-zoning, etc. There are currently only 24 communities out of 351 in compliance with the state's 10% recommendation. (We would need to build over 200 units in town to even come close to this 10%.)

In this age of excessive governmental controls, we would like to see our town government remain in the hands of our townspeople not the state's bureaucracy. The state's "track record" when taking control of local monies and responsibilities is not a good one unless you are one of its administrators.

Attend Town Meeting! Leave the control of town-owned lands in the hands of our duly elected town Selectmen and local boards. Don't let the state determine Mattapoisett's future.

Vote NO on Article 51.

VOLCANOES ERUPTED ON PLAYGROUND

On April 12th sixth grade vulcanologists watched as 21 active volcanoes erupted on the Old Hammondtown School playground. Inside, another 42 dormant or extinct volcanoes sat on display, as part of a sixth grade science study of the earth's crust.

The sixth graders are now preparing for their participation in famed Titanic explorer Dr. Robert Ballard's next marine exploration called the Jason Project. The students will go to Woods Hole Oceanographic Institution in May where they will be able to talk to Dr. Ballard via satellite, as he explores an undersea volcano called the Marsili Seamount in the Tyrrhenian Sea, off the coast of Italy.

VA SCHOLARSHIPS TOTAL $8 MILLION

The Department of Veterans' Affairs is announcing that $8 million is available in scholarships to nursing and physical therapy students for the 1989-1990 school year.

Awards are for third and fourth year students in baccalaureate nursing and physical therapy degree programs, as well as master's degree programs, in certain specialties.

Recipients receive tuition, educational expenses and a monthly stipend of $621. In exchange, participants agree to serve as a full-time registered nurse of physical therapist in a VA medical center for a period of one year for each year of scholarship support. The maximum length of a scholarship award is two years.

THREE SISTERS-MELODRAMA

Chekhov's classic romantic melodrama, Three Sisters, is opening Friday, May 5, with additional performances May 6, 12, 13, 19, 20, 26, 27 at 7 p.m. In the tradition of Gone With the Wind, Chekhov has written a moving story of love and intrigue set during the end of the last century in pre-Soviet Russia. Sponsored in part by a Wareham Arts Lottery Council grant, Three Sisters is the ideal show to introduce high school and college students to the study of Russian theater. An all-star cast including Claudia Gray as Masha, Jeanne Lima as Olga and Michelle Ouellette as Irina along with Michael Ventura, Larry Bennett, Chris Hope Piccone, Raitt Erickson, Scott Ventura, Sandy Jackson, Matthew Hill, Jerry Melcher, Kyle McDonald and Ingrid Lobery as Natasha join with director George W. Hayden to present this major literary stage piece. The show will appeal to those with a lingering romantic

Art Contest for Election '90

Secretary of State Michael J. Connolly is sponsoring a contest to select an original piece of artwork to appear on some 1990 election materials. The artwork selected will appear on publications, and items as small as buttons and as large as billboards. It will appear on the 1990 Information to Voters Pamphlet which is sent to every household in the Commonwealth, assuring the local artist selected of excellent exposure. The Secretary is looking to move away from the typical images associated with elections (flags, stars and stripes, Uncle Sam). If posters and pamphlets appear less bureaucratic and more artistic, the Secretary believes that more people will take the time to read the brochures and learn about the electoral process.

The contest is open to all residents of Massachusetts except employees of the

Bird-a-Thon

TO BE HELD BY LLOYD CENTER

This May birders throughout the area will be scouring the region looking and listening for as many bird species as possible in a 24 hour period. You can become a part of this frantic search for that 100th bird species. On May 21 (rain date June 4), from midnight to midnight, the Lloyd Center for Environmental Studies will hold its 3rd Annual Bird-A-Thon, a fun springtime fund-raising event.

Birders can spend all or part of the day roaming New England, identifying and checking off as many bird species as possible. Birders can work in teams of 2 - 4 people, or by themselves if they prefer.

Everyone is welcome to join us in this

event as a birder or a sponsor. As a birder, you can bird as an individual, form your own team or call the Lloyd Center and we will add you to a team. The event will be a good way to learn many of the "hot spots" for birding in New England and an excellent way to increase your birding skills. Birders are asked to find sponsors who are willing to pledge a suggested minimum of 10 cents or more per species identified, and can bird as long as they like on May 21st.

As a sponsor, you can pledge 10 cents or more per species identified by a team or individual. Money raised from this one-day event will help support our research efforts on rare and endangered species. Research work that is or has been done includes monitoring piping plovers, a federally endangered bird species that nests on beaches; northern harriers, a state threatened hawk that nests only on the islands off of Cape Cod, and only one mainland nesting site reported here in South Dartmouth. Also studied are marbled salamanders, regal fritillaries and Papaipema supphurata (butterfly and moth, respectively), both state listed, and plymouth gentian, a flowering daisy-like plant found in only a few locations in Massachusetts.

Anyone interested in this fundraising event can support our research work as a sponsor, a birder or both. For more information on this exciting event please contact the Lloyd Center at 990-0505.

"CRAZY HAT DAY"

On Friday, March 31st, the students and faculty of Rochester Memorial School participated in "Crazy Hat Day". The response was outstanding with almost 100 percent participation from all members of the Memorial School community.

A contest followed with winners from each classroom and a special school champ, Tim Forand from Miss Carr's fourth grade class. The choice was most difficult because of the time and effort each student gave toward making this contest and day a big success.

A special thanks to Mrs. Maine and Mrs. Maxwell for coordinating the program and judging the contest.

Junior Promenade

Members of the Junior Class of Old Rochester Regional High School invite parents, friends and the community to attend its annual Promenade before their Junior Prom on Friday, April 28th, at 5:15 at Old Rochester Regional Junior High School.

RENEWAL

Extensive work is now in progress to restore the old carriage shed at the Mattapoisett Congregational Church. New foundations are being set under the old beams to preserve them from rot.

eye talk

Q. **My friend wears one contact lens for seeing at a distance and another for reading and other close work. Is it okay to do that?**

A. Yes. This is called monovision. It is a popular way to provide good vision at all seeing distances for people over 40, most of whom have presbyopia, a vision condition which affects reading vision and is part of the normal aging process. Many also need help to see clearly at a distance.

Bifocal contact lenses are another option but the prescription parameters are limited right now. So they won't work for everyone.

Most people can adapt to monovision. Those who need help only for seeing up close wear only one contact lens. Any type of contacts-- hard, soft, gas-permeable and extended wear-- can be used with monovision.

People over 40 have more complicated vision demands than younger persons. It is important, therefore, to seek care from an optometrist willing to give your eyes the extra time and attention they need.

The Saturday, June 17, excursion will depart by motorcoach from the Glass Museum at 8:00 a.m., returning at approximately 8:00 p.m.

Deerfield is one of America's most pristine 18th century environments, centered on "the most beautiful street in America". The NBGM excursion will include an orientation to the village's history, and special tours of the most important buildings, dating between 1717 and 1814. While many of the street's great mansions are privately held, Historic Deerfield Inc. began the restoration of twelve major buildings in the 1950s.

The mansions, tavern, and shops are furnished with an acclaimed collection of 18th century furniture, silver, porcelain, and paintings, as well as authentic period gardens. The village is rested in scenic Pioneer Valley along the Connecticut River.

Participants will be able to select their choice of luncheon site, included in the fee, from either the formal dining room of the Deerfield Inn or the Inn's indoor/outdoor cafeteria.

Cost of the trip for members of the general public is $50 (dining room) or $46 (cafeteria), including luncheon, museum admissions, and transportation. Museum members receive special discounts.

Persons interested in registering for the trip should contact the Glass Museum at 994-0115, 50 North Second street, New Bedford, MA. 02740. Early registration is suggested.

Heritage Plantation

Jeanie Gillis, horticulturist at Heritage Plantation of Sandwich, is looking for people to exhibit their own flower arrangements during a three-day event at the Museum, a "Heritage of Flowers", June 8,9 and 10.

The exhibition is for everyone, beginners and amateurs alike. There will be no judging, so it will be a fun event for all.

All flower arrangements will be on display in the following buildings: The Art and Military Museum, Shaker Round Barn, and the Old Barn Gallery. In addition, a miniature category of flower arrangements will be placed adjacent to the military miniatures in that building.

Included in the plans for this three day event are lectures, demonstrations, a special lunch/fashion show and a champagne party finale. It promises to be a beautiful celebration of the Museum's 20th anniversary season.

Anyone who loves flowers and likes to do flower arrangements should take part in this event. Please call Jeanie Gillis or Ginny Long at 888-3300 for more information and registration.

cation two new exhibits will open in the Shelby Cullom Davis exhibition galleries. A reception for members and guests will be held in the museum's Visitor Center beginning at 4 p.m.

The library, formerly housed in cramped quarters with limited access, is a specialized 5,000 volume research collection of books, manuscripts and periodicals which will now be located in a centralized facility adjacent to the Visitor Center. The Library provides the museum with greatly expanded research capabilities for use by staff, members and scholars. It includes a reference and reading room, a common study area with individualized study carrels (one handicapped-accessible), offices for personnel and furnishings for library patrons.

The Bradford Library will be open Monday through Friday, excluding holidays, from 9 a.m. to 4 p.m. and is open to staff, members and visiting scholars. As of May 2nd the library will remain open on Tuesdays and Wednesdays until 7:30 p.m. Those seeking assistance is specialized areas of study are advised to make appointments with the Research Department.

all phases of patient rehabilitation.

The Old Colony students were given a lecture on how each department functions and how it relates to patient care. All students witnessed first-hand the care involved in a long-term setting.

STUDENTS TRAVEL TO SCIENCE MUSEUM

Recently four Old Colony students and science instructor Tom Hesketh traveled to the Boston Science Museum to attend a student Biology Symposium which featured Dr. Douglas Zook, Professor of Science Education at Boston University. Also conducting the symposium was Lyna Watson, Research Assistant, New England Regional Primate Center.

Dr. Douglas Zook's presentation focused on micro evolution, a topic not widely studied by high school students. Ms. Lyna Watson concentrated on the more recently evolved life forms.

Students took careful notes on both lectures and will do their own presentation on these topics when they return to the classroom.

ATTEND MUSICAL AT ZEITERION

On April 3rd students from the Old Colony Regional Vocational Technical High School visited the Zeiterion Theatre to view the musical adaptation of Animal Farm written by George Orwell and adapted for the stage by Peter Hall.

The ninety minute production stunned students with its premiere production and its

POLL TAKEN AT OLD COLONY

The Freshman Civics class (113 students) of Mr. Raymond Cabral recently conducted a random sample poll of Old Colony's feeder communities to record party affiliations.

The taking of the poll capped off an intensive review of political parties, past and present and their effects on our democratic form of government.

The students studied about the usefulfulness of polls to show public support or disenchantment with various candidates or causes.

The students enjoyed taking the poll and learned by some of the responses they received.

The students introduced themselves and their school. They stated they were taking a poll for Civics Class and would the individual mind stating their party affiliation.

The results:

Democrats:	218	& 12	= 230
Republicans:	163	& 5	= 168
Independents:	131	& 7	= 138
Other:	107	& 1	= 108

COSMETOLOGY DEPARTMENT CELEBRATES MOTHER'S DAY

In its annual observance of Mother's Day, the Cosmetology students at Old Colony Regional Vocational Technical High School will celebrate Mother's Day '89.

Mothers of each student in the department have received formal invitations to the observance. A coffee hour will be held at 9:00 a.m. followed by "Mother's Choice". Mom will receive a hairstyling, manicure and facial performed by her daughter. The activity will conclude with a luncheon at noon prepared by the Cosmetology students in cooperation with the Culinary Arts Department.

This marks the third consecutive year that the Cosmetology Department has conducted the Mother's Day observance. The event will be held on May 2nd for freshmen and juniors and May 9th for sophomores and seniors.

THREE OLD COLONY STUDENTS WIN MEDALS

Three Old Colony students received medals in the Massachusetts State VICA Competition. VICA (Vocational Industrial Clubs of America) students from vocational schools across the State competed for two days in Boston with Old Colony students winning two Gold and one Silver medal.

Michael Christen received a Gold Medal in Carpentry which qualifies him to travel to the National Competition in Tulsa, Oklahoma. Mike will compete against vocational students from across the United States. Also receiving Gold Medal in Interview Skills was Caprice DiTullio. Caprice will, also, compete in the Nationals in June.

Paul Holmstrom received a Silver Medal in Prepared Speech. Paul placed second in a field of 36 students.

Marcus Ashley and Joseph Tisdelle, Co-advisors for the VICA Program at Old Colony, indicated their pleasure with the results of the State Competition. The two gold medal-

Lloyd Center Annual Meeting

MAYOR BULLARD GUEST SPEAKER

New Bedford Mayor John Bullard will speak on "The Future of Environmental Quality in New Bedford and Buzzards Bay" at the annual meeting of the Lloyd Center for Environmental Studies on Thursday, May 4th. The annual meeting will be held at the Days Inn on Hathaway Road and will begin at 7:00 p.m. The public is invited to this annual event.

According to Lloyd Center Board of Directors President Kevin Champagne, "We are very pleased to have His Honor the Mayor speak at our annual meeting. Mayor Bullard has consistently played a leadership role in environmental issues in New Bedford and beyond with his efforts on the new waste water treatment plant and the harbor superfund project. The Mayor has also been a leader in the Buzzards Bay Advisory Committee of the EPA Buzzards Bay Project, an effort in which the Lloyd Center plays a major role in the public education program."

The annual meeting includes a business meeting of the organization. Members of the

EXPLORE PASKAMANSET RIVER

Come with the Lloyd Center as we explore the undisturbed Paskamanset River on May 6th. At this time of year the wide flood plain is beginning to show the variety life which exists there. Special features of this river are Swamp White Oaks, marsh marigolds, cardinal flower and blue flag. This pristine river also requires several portages, so expect to get out of the canoe several times.

This canoe trip begins at 9:00 a.m. and will last all day. The fee for this program is $15. for Lloyd Center members and $20.

Youth Theatre Festival

COMEDY DUO, STROMBERG & COOPER

The Zeiterion Theatre's Saturday Youth Theatre Festival will present Stromberg & Cooper on Saturday, April 29th, at 10:30 a.m. and 1:00 p.m. For the second year in a row, Fairhaven Savings Banks is the sponsor of the Theatre's Saturday Youth Theatre Festival. Stromberg & Cooper, a comedy team for families, will present their unique show - a wonderful combination of comedy, movement and storytelling mixed with their own original music. General admission tickets are priced at $4.00 each. Tickets are available at all Ticketmaster locations. For more information on tickets and group packages call the Zeiterion's Box Office at 994-2900.

The performers - Bob Stromberg and Michael Cooper - have been performing their unique "mummerstock" theatre for more than a dozen years. The duo defines "mummerstock" as "mummer" - 1.

any theatrical performer; actor, 2. one who plays in performances regarded as ridiculous and "stock" - the production and presentation of plays by a stock company.

For over 15 years Bob Stromberg has been delighting audiences of all ages with his original shows. A graduate of North Park College in Chicago, Bob also studied theatre arts and mime under Tony Montanaro at Celebration Mime Theatre in South Paris, Maine. A resident of western Massachusetts, he travels around the states sharing his songs and stories.

In another place or time, Michael Cooper might have been called a fabulist or a trickster. Today these words may be rare, but in Michael's art they live on. A graduate of Goddard College in Vermont, he also trained with Tony Montanaro's Celebration Theatre, and continued in Paris, France with Etienne Decroux, "father of modern mime". He now makes his home in wastern Massachusetts where he makes masks and collaborates with other theatre artists in addition to his work with the comedy team of Stromberg & Cooper.

Their show is the final presentation of the Saturday Youth Theatre Festival, but the Zeiterion's Summer Youth Theatre Festival will begin in July with a host of entertaining shows to be announced in the near future.

WESTERN SHOW AT WAREHAM TOWN HALL

Wesley United Methodist Church will sponsor a two-hour Country Western show at the Wareham Town Hall Friday, May 12th at 7:30 p.m.

Jerry and Betty Caron, the husband and wife duo known at Two's Country, were voted top Country Duo by the Massachusetts Country Music Awards Association in 1985, 1986 and 1987. They expanded to a six-piece group in 1985 and adopted the name Two's Country and The Country Crowd.

The band, which plays mostly traditional country, consists of lead, steel, drums, bass, Jerry on rhythm guitar, and Betty doing most of the vocal work. A member of CMA, ACM and BMI, she has had one original song published in Nashville where she has done all of her recording. She has had four nationwide singles chart with Bullets in Cashbox in 1984, 1985 and 1986. In 1986 she was nominated one of the top ten new female vocalists in the nation by the Academy of Country Music.

In addition to club work, Two's Country

and The Country Crowd have played numerous weddings and special functions in New England. In 1986, 1987 and 1988 they appeared at the Hyannis Street Festival, Barnstable Country Fair, Yarmouth Seaside Festival, Onset Harvest Moon, and a special 4-night appearance at the annual Shriners Rodeo in Wilmington. The group appears regularly at the Hyannis VFW, For the Good Times in Sandwich and Weymouth Eagles.

Proceeds from this outstanding show will benefit the complete exterior renovation of the church. Painting is already well underway, new concrete front steps with a ramp will be under construction soon, a wheelchair lift has already been installed and has proven most beneficial to the handicapped.

Tickets for the show are now available from members and friends of the parish. Donation is $5.00; children, $2.50.

STAGES "A LITTLE QUICKIE"

Theatre One Productions Inc. will be staging "A Little Quickie" May 4th, 5th, 6th, 12th-13th and 19th-20th at 8 p.m. at Route 105, North Main Street in Middleboro, exit 4 off Route 495. Tickets at the door or reserve with Visa/Mastercard at 947-1880.

William Van Zandt and Jane Milmore, authors of "Love, Sex and the I.R.S.", "Lie, Cheat and Genuflect" and "Suitehearts" provide us with yet another comic vehicle guaranteed to transport any audience into a state of non-stop laughter.

This hilarious sex-farce-comedy presents the stand-up comedy team of "Steve and Allen". They are on the brink of success when Steve's neglected wife and his partner have an unexpected fling. Fun and games, laughs and gags revolve around resolving the occurring problems, complications and crossfire that arises from the situation.

Hector Berlioz fashioned this powerful work, blending orchestra, chorus, and soloists to tell the familiar story of young lovers.

F. John Adams, Music Director, will conduct this major work at the Zeiterion Theatre on Sunday evening, May 7th, at 8:00 p.m. The concert is sponsored by the Bank of New England South, which has a branch on New Bedford's waterfront and another in Dartmouth.

The 100 voices of the Concord Chorus will provide the choral backdrop for the unfolding drama. Three prominent soloists will be featured: Valerie Walters, mezzo soprano who recently had a leading role with the Boston Lyric Opera; Paul Houghtaling, baritone, well-known to New England audiences; and Ray Bauwens, tenor, a recent soloist with the Bach Society of Worcester.

This is the final concert in the New Bedford Symphony Orchestra subscription series. Next season, beginning in October, the orchestra will celebrate its 75th anniversary.

Reservations for the upcoming concert may be made by calling the Zeiterion Box Office at 994-2900. Tickets will be held until performance time. Seats are $15., $13. and $10. with a $2. discount for seniors and students. Group rates are available on request.

N.B. Symphony Fund Drive

The New Bedford Symphony Orchestra's 75th year will be celebrated during the upcoming 1989-1990 concert season starting in September. To mark the beginning of this milestone the Annual Fund Drive will begin with a kickoff celebration on April 30th at 3:00 p.m. at the Olympia Towers function room. A classical music trio featuring NBSO musicians will perform and refreshments will be served. The public is invited to attend this free event.

The Annual Fund Drive will take place during the month of May. In addition to the kickoff, there will be solicitations by

The New Bedford Symphony Orchestra performs 5 concerts a year, in-school education programs, music scholarships and cultural tours. Their annual expenses amount to nearly $100,000 and only 46% of that is covered by ticket sales. The NBSO Association must raise the addtional amount through grants and fund-raising events.

Anyone wishing to become a NBSO volunteer, or to donate to this long lasting cultural tradition, the New Bedford Symphony Orchestra, can call Development Director Marilyn Whalley at 763-8356 or write to New Bedford Symphony Orchestra, P.O. Box A-2053, New Bedford, MA. 02741.
